FASTEST OUTDOOR ICE RINK IN THE WORLD

In the heart of the Alps, in the northern Italy, at an altitude of 1.200 m our Ice Rink is embedded in a beautiful landscape.

We are proud to be the fastest outdoor Ice Rink in the world.

Every year a lot of skating teams enjoy their training camp in Klobenstein/Collalbo.

How to reach us:

Arena Ritten
Zaberbach 15
39054 Ritten / South Tyrol / Italy

ARENA RITTEN – SUMMER AND WINTER - the place to be

The famous ice rink, that lies at the entrance of Collalbo can't be overseen by visitors. When entering Collalbo, your eyes will quickly spot the letters ARENA RITTEN, you will also see the flags at the ice ring wave at you and from there you have a great view of the Dolomiten.

WHY TO GO TO RITTEN:

- Endurance training and bicycle tracks
- Altitude training up to 2260 m on the Rittner Horn with a fantastic panorama to the Dolomites (UNESCO –world natural heritage).
- Europe's tallest and most perfectly shaped earth pyramids
- Ritten's historic railway
- A modern cable car promises a breath-taking journey in only 12 minutes from Oberbozen to Bozen
- Catch free rides and enjoy unlimited exploring of Ritten and South Tyrol with the Ritten Card (not available in all hotels, please check on www.ritten.com)

OPENING SEASON 2019/2020

This season the ice rink will be open from 18th of November 2019 until 13th of February 2020
